

std::pair< T, T >

The diagram illustrates an inheritance relationship. At the bottom is a box for 'Maiké::Twins< T >' with a grey background and black border. It has three horizontal sections. A blue arrow points upwards from the top section of this box to the bottom section of a box above it. The top box is for 'std::pair< T, T >' with a white background and grey border, also having three horizontal sections. The arrow's head is a blue triangle pointing to the bottom section of the top box.
